### Member Spotlights

Twice a month The Chamber randomly selects two businesses to feature. These spotlights include treats delivered by our team of Pow Wow Ambassadors, outdoor signage to attract attention as "The Chamber Spotlight Business of the Week", social media promotion, and air time on our Friday radio segment "Chamber Chatter" on KSEM.

### Pow Wow Ambassador Program

Be sure to read all about our Pow Wow Ambassador program on the back of this brochure.

### Educational Programs

The Chamber presents various educational programs throughout the year. The programs are specifically geared to address specific issues and challenges that our business members face in today's rapidly changing world.

### Sponsorship Opportunites

The Chamber hosts several events throughout the year including Freedom Fest, Seminole's Ag/Oil Celebration, The Chamber Membership Banquet, and Snow Place Like Home. These events provide an opportunity for extra exposure for our members as well as a way to give back to our community by way of good family entertainment.
